Boston College is committed to providing a secure and learner- focused environment. As part of this commitment, the College issues an ID card to every individual within its community. This policy proposes that every individual is always identifiable when they are on site and sets out the guidelines for ensuring adherence to the policy.

| Orange Lanyard | Governor |
| Black | Students aged 14-16 |

3. COMMON IDENTIFICATION PROCESS

- Monitoring of visible ID is the responsibility of <u>all</u> staff.
- All lecturers and tutors must check all students are wearing their ID at the start of each lesson and throughout the day.
- All lecturers and tutors must check that students are wearing their ID when they leave a practical vocational lesson where the ID was legitimately removed for health and safety reasons.

4. STUDENTS

- As part of student standards and expectations, students must wear their ID badge at <u>all</u> times other than in those practical vocational lessons where there is an identified health and safety risk due to the nature of the activities. At the end of such lessons the ID badge should be worn again prior to leaving the area.
- All students will be issued with an ID badge and lanyard on enrolment or during induction.
- Students' ID badges must be visible at all times and worn on a lanyard outside of clothing.
- Clip on identification can be provided for those for whom wearing a lanyard poses a welfare risk.
- ID badges are the property of the College and must not be defaced.
- Defaced ID badges will be confiscated, and a new student ID must be purchased.
- Students must not wear an ID badge belonging to another individual. Should this happen, the IDs will be confiscated, and will result in disciplinary action.
- Students who forget their ID badge must report to reception and obtain a new ID badge. Up to 2 badges and lanyards if required can be issued to the student free of charge. The student's details will be checked, and upon issuing a third card a Cause for Concern will be recorded on the student's record. If the student is under 18 or classified as an adult at risk, the tutor/success coach will send an email to the parent/guardian to ensure they are aware that the student has forgotten/lost their ID badge and informing them of the actions that will be taken if the badge is forgotten again.
- Students who lose their ID badge will have to pay a £2 fee for a replacement badge at reception and £0.50p for a lanyard. If they do not have the funds to pay for the badge, it will be logged, and payment must be made within 2 working days or disciplinary action will be taken (if students are under 18 or classified as an adult at risk the parent/guardian will be contacted). Non-payment will be recorded by reception staff on a Cause for Concern form.
- Students will only be allowed to enter the campus on two occasions if they have forgotten/lost their ID badge. On the 3rd occasion stage 1 of the <u>Student Disciplinary Policy</u> and Procedure for FE Students.pdf (sharepoint.com) will be invoked.
- Persistent failure to properly wear an ID badge/lanyard will also result in disciplinary action in accordance with the Student Disciplinary Policy.

- Students print allocation will be available via their ID badge for use at the printing machines. Additional printing can be purchased at each Library reception
- Students can use their ID badge to access the College's catering facilities.

5. STAFF

- As part of professional standards and expectations ID badges must be worn at **all** times, other than in those practical vocational lessons where it is an identified health and safety risk due to the nature of the activities. At the end of such lessons the ID should be worn again prior to leaving the area.
- All staff will be issued with an ID badge and lanyard on their first day of employment.
- Persistent failure to properly wear an ID badge may result in disciplinary action.
- All lost or stolen identification must be reported immediately to Registry
- All individuals who forget their identification must report to or inform Registry and obtain a new badge for that day.
- Staff who lose their ID badge will have to pay a £2 fee for a replacement at reception.

6. IDENTIFICATION FOR VISITORS WITHOUT DBS CHECK

- Any staff expecting a visitor must arrange for their visitor/s to be pre-registered via the Sign In App **in advance**. This can be found on the Staff Hub landing page.
- All visitors and contractors must be issued with an ID badge and lanyard on entry to the College
- All visitors (Red) and contractors (Blue) **must** wear the ID badge issued at all times. They may wear their own ID badge in addition, but this does not remove the requirement to wear a College ID badge.
- Visitors **must** be collected from reception and accompanied at all times whilst on site.
- Visitors **must** be escorted back to reception at the end of their visit and the ID badge and lanyard returned.

7. IDENTIFICATION OF VISITORS WITH DBS CHECK

- Visitors such as building contractors who are likely to be on a College site for more than one day should be provided with an ID badge and lanyard (Green) for the duration of their visit. There is no requirement for daily sign in.
- It is the responsibility of the contracting department to ensure that the visitors behave appropriately at all times whilst on site.

8. PROMOTING THE POLICY

• It is the responsibility of **all** staff to promote and adhere to this policy whilst on College premises, including in classrooms, corridors and common areas and to question anyone not wearing a visible ID badge.

9. HEALTH AND SAFETY IMPLICATIONS

- Staff must ensure that all students undertaking practical vocational classes adhere to appropriate health and safety guidance in relation to wearing their ID badges.
- All lanyards must be the nylon pull and release design to ensure that the lanyard does not tighten around the neck if pulled.
- As part of the policy, a full health and safety risk assessment of activities which may justify removal of a person's ID badge and lanyard will be carried out by the Health and Safety Team.
- Clip on identification can be provided for those for whom wearing a lanyard poses a welfare risk.

10. EQUALITY AND DIVERSITY

• A student can request a preferred name on their ID card which is different to their name for enrolment registration.
